Ronald Iammartino
96 Frelinghuysen Rd
Piscataway, NJ 08854

Dear Mr. Iammartino:

I am pleased to offer you an appointment as a Lecturer, Job Code 99902, subject to adequate enrollment in the course to which you are assigned. You will be responsible for the duties listed below in the following course:

School or College:

Department:

Term:

Course Title:

Number of Credits:

Number of Students:

Per credit rate:

Salary:

Duties:

School of Engineering

Industrial and Systems Engineering

Spring 2026

Eng Mgmt. Tech Innovation Strategy

Industrial Informatics Systems

6 Credits

25

\$2,950.51

\$17,703.06

The salary will be prorated between 2/1/2026 and 6/30/2026.

Teach one or more on-campus undergraduate/graduate course, prepare lesson plans, prepare and grade mid-terms and final exams. A course syllabus should be available for your first class meeting. Final grades must be submitted 48 hours after your class ends.

You will be evaluated once during each academic year which will require your participation in a holistic evaluation designed to inform and improve your instruction and inform appointment and reappointment decisions. An evaluation form, Appendix C of the current Collective Negotiations Agreement (<https://laborrelations.rutgers.edu/faculty/labor-contracts>), shall be completed once during each academic year.

Pursuant to N.J.S.A. 34:11-4.1 et seq.; and 34:11-56a et seq. we are providing information for your review concerning the *Employer Obligation to Maintain and Report Records* regarding wages, benefits, taxes and other contributions and assessments. You may access this information from the University Human Resources website at https://www.nj.gov/labor/forms_pdfs/EmployerPosterPacket/MW-400.pdf.

LECTURER

Industrial Engineering

If, through no fault of your own, your course is cancelled within ten days before the date on which the class was scheduled to begin, or ten days after the date on which the class began, and the University determines not to reassign you to another course, you will receive 1/16th of the salary for that semester.

Additionally, if you taught classes during the seven-day period after the date on which the classes began or were scheduled to begin, you will be paid a pro-rata salary for the work performed.

The University reserves the right of class cancellation if enrollment is not sufficient. If, however, enrollment exceeds the approximate enrollment contained in the appointment letter by 33- 1/3% or 25 students, whichever is lower, you shall receive a salary supplement of \$200 per credit. This supplement shall not apply if the excess enrollment is due to you giving a special permission number to a student for enrollment in the course, unless you were expressly directed to do so by the Department.

As a member of the University community, you will be expected to abide by departmental and University regulations, policies and procedures. In addition, as a Rutgers employee you are required to participate in employee training as part of your appointment and without additional compensation. Completion of all training required by the University is a condition of employment. This includes, but is not limited to, ethics training, training on unlawful harassment and other policies, statutes and regulations governing the workplace. For more detailed information on ethics compliance and unlawful harassment, please visit the New Employee website at <http://gettingstarted.rutgers.edu/>.

Please see <http://uhr.rutgers.edu/benefits/benefits-overview> for information on the Lecturer benefits and retirement system eligibility forms and submit the appropriate paperwork to your department for processing. Attached is a list of programs and resources relating to professional development and training that are available to Lecturers and a list of important University websites. Additional information can also be found at <https://nbdiversity.rutgers.edu/resources/faculty-staff-resources>.

This offer is contingent upon successful completion of all pre-employment screenings. You will receive an email from HireRight noreply@hireright.com with a link and instructions for you to submit your personal/employer information.

Kindly indicate your acceptance of this appointment and its terms and conditions by signing this letter and returning it to Barthi Ponnuraj on or before 12/31/2025. I look forward to your association with Rutgers and the Department of Industrial and Systems Engineering.

Sincerely,

Alberto M. Cuitiño

Dean Alberto M. Cuitiño
